1 AN ACT ...; relating to: the budget

Analysis by the Legislative Reference Bureau

Under current law, DHS makes grants to certain community programs such as community improvement job training, prisoner reintegration, epilepsy services, and ARC community services. The bill allows DHS to also distribute not more than \$1,200,000 in each fiscal year, beginning in 2014-15, to regional peer run respite centers for individuals with mental health and substance abuse concerns.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 46.48 (31) of the statutes is created to read:

3 46.48 (31) PEER RUN RESPITE CENTERS. The department may distribute not more
4 than \$1,200,000 in each fiscal year, beginning in fiscal year 2014-15, to regional peer
5 run respite centers for individuals with mental health and substance abuse
6 concerns.

****NOTE: The general provision governing these grants, s. 46.48 (1), states that the department is required to award grants for community programs as provided in the section. The requested language allows but does not require DHS to make grants to peer run respite centers. I am concerned that this leads to some ambiguity. In addition, the language "not more than" would allow DHS to provide no money at all to peer run respite centers. Please confirm that the language drafted complies with your intent. ✓
